REMARKS

Although Applicants believe that claims 1-20 are not anticipated by Hamada et al. '543, the application is amended herein to make the case allowable. Claims 3, 11-14 and 20 are indicated as allowable. Claim 3 is amended to include the limitations of claims 1 and 2 to which it depends. Claims 1 and 2 are canceled. Claim 4 is canceled. Claim 5 is amended to depend on newly amended claim 3. Claims 6-10 are maintained in their original state as they depend on amended claim 5 and thus on allowed claim 3. Claim 11 is amended to include the limitations of claims 1, 5 and 6 to which it depends. Claims 12-14 are maintained in their original state as they depend ultimately on allowed claim 11. Since claim 20 is indicated as allowable and depends from claim 15, claim 15 is amended to include the limitations of claim 20. Claims 16-19 all depend on newly amended claim 15 and should be allowable as well.

In view of the above, it is respectfully requested that this application be allowed and passed to issue.

Please charge the fee for an extension of time, as well as any other fees that may be due, to Deposit Account 07-0960.
